

ABOUT US

Kali's Double Doodles

Thank You for Considering One of Kali's Double Doodles!!

"If the Kindest souls were rewarded with the longest lives, dogs would outlive us all."

Kali's Double Doodles is a breeder of Aussiedoodles, Australian Labradoodles, Bernedoodles, Australian Mountain Doodles & Sheepadoodles. We are located in beautiful Sunny Southern California. We take pride in raising our dogs to the best of our ability. They are our family & raised with love and care. All of our dogs are Fully health tested, free of diseases, fully vetted & raised by our children & family. We strive to give you the best possible future for your fur babies. We have a passion for animals & love each and every single one of pets. We believe all dogs deserve the love of People and the freedom to run and play. Our dogs are not kept in kennels and have the freedom to come in and out of our home, as they please. They have daily exercise & daily love.

Once our breeding program picks up, Most of our females will live with Guardian Families, where we maintain breeding rights for up to 5 years. This program will allow ALL of Dogs to live happy lives and get the individual love they so deserve! Our Guardians must live within a 60 mile radius of Los Angeles, CA. Keep a look out on our guardian page for any guardian opportunities in the future!

Although, most of us will have the opportunity to have multiple dogs within our lifetime, we want to use all resources offered us to insure they stay with us for a long time. To do this, we must make sure that every litter is as healthy as possible. So, we test ALL of our dogs for most if not all testable genetic health conditions on over 200+ genetic conditions. We embark & pawprint genetic test all of our dogs before breeding. We also do OFA testing on our larger standards.

"We give dogs time we can spare, space we can spare and love we can share. And in return, dogs give us their all. It's the best deal man has ever made."

We want the best for your future puppy & to make sure your family is happy with your perfect companion for all of his/her days. For this reason, we breed correctly & safely. We are here to answer any & all questions you may have. We offer lifetime support to all of our families. Once you get a puppy from us, you become one of Kali's Double doodles family member. We always have your best interest at heart, as well as our special little miracles the moment they are born. This is our passion & we cant wait for future families to enjoy our babies.
